LEADERSHIP POLICY

It is the policy of the Boy Scouts of America that at least 2 adults leaders, one of whom must be 21 years of age or older, are required for all Troops/ Packs camping as a unit. Camp Strang maintains a 5 to 1 ratio during Webelos week. Den Leaders are responsible for a group of boys during the week. Leaders are asked to be as proactive as possible in getting to know the group. Parents are asked to pass along any pertinent information to the Den Leader during check-in on Sunday to help ensure that the Leader is prepared to give each camper the best experience possible.

WEBELOS PROGRAM

The Webelos Program is centered around providing a fun and educational experience for boys. Each den is assigned to a campsite together with a den leader. The den stays together for the duration of the week as they follow a structured program. Dens spend about 45 minutes per activity leaving enough time to attend up to three different program areas in the morning and three in the afternoon activity sessions. A schedule grid will be given out at the pre-camp leaders meeting which is held the Tuesday night @ 7:00pm prior to Webelos week.
