

Brownsea Island Program

*"This is NOT a boring week at Boy Scout Camp."
-Will Schmitt, Director, Brownsea Island Program*

*"[The] program is under the direction of a very enthusiastic, dedicated, and well trained staff. The program provides a perfect learning environment for new scouts to have fun while developing the outdoor skills and building the self-confidence required for successfully advancing to Eagle Scout...I highly recommend [the program] for all new scouts."
-Randy Ritter, Scoutmaster*

*"...Especially now, with the difficult challenges facing our children, parents want their sons to grow into responsible young men. [This] is the perfect vehicle to help achieve this goal, and the...program offers a nearby quality Scout experience run by an experienced staff. ...[B]oys have FUN while earning merit badges and learning the basic principles of Scouting."
-Richard Marano, Sr, Council President*

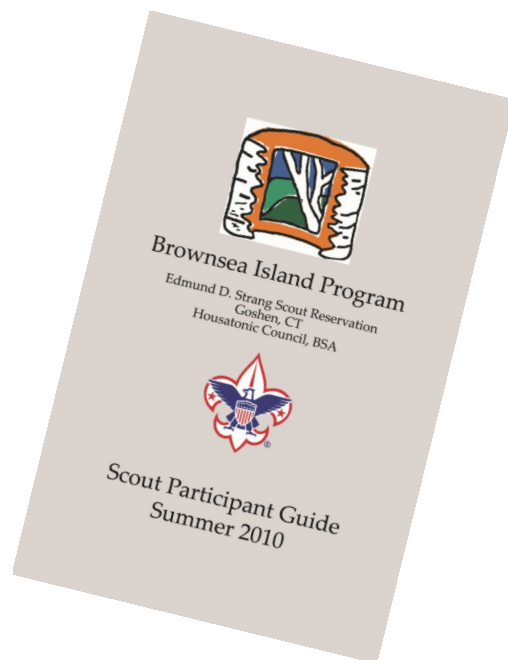

This program is made for those scouts who are pretty new-ish to Scouting. Developing the essential Scouting *values* in the process, we have a great time working on the *core skills* of Scouting.

Scouts are split up into three patrols that they will be a part of while participating in the program. Scouts will learn their core skills part of the Tenderfoot, 2nd Class, and 1st Class ranks with their patrol adviser. They will do some swimming, orienteering, cooking, and will venture on a 5-mile day hike to Mohawk Mountain (We'll go to the Girls Camp, too, if you are lucky).

Each patrol chooses a feasible merit badge to work on over the course of the week they are at camp. Choices from last year included: Chemistry, Fingerprinting, Photography, and Public Speaking merit badges.

What's in it for you?:

- Bead award program¹
- ScoutBucks program²
- 5-mile Hike
- Merit Badge of your choice
- Experiencing camp activities
- A more in-depth *exploration* of camp than most other campers get
- Cooking a crazy meal of your pseudo-choice
- Fun, duh
- Too much stuff to list :(..... actually :)

1: Earn beads for your Hemp choker by completing certain tasks

2: Earn money to spend in the trading post by doing good deeds, etc...
