1. Tell the purpose of space exploration and include the following:

- a. Historical reasons
- b. Immediate goals in terms of specific knowledge
- c. Benefits related to Earth resources, technology, and new products.

2. Design a collector's card, with a picture on the front and information on the back, about your favorite space pioneer. Share your card and discuss four other space pioneers with your counselor.

8. Discuss with your counselor two possible careers in space exploration that interest you. Find out the qualifications, education, and preparation required and discuss the major responsibilities of those positions

Engineering – Complete the meritbadge.com worksheet and the information below:

GET THE UPDATED MERIT BADGE PAMPHLET FROM YOUR SCOUT SHOP. Most, if not all of the answers to the requirements that you need to do in advance are answered in the pamphlet.

BRING A BLUE CARD SIGNED BY YOUR UNIT LEADER. You must follow these recommendations for each of the requirements in order to complete the badge:

1. Needs to be done at home, must provide an outline as stated in the workbook.
2. This is best as a written answer prepared in advance, as stated in the workbook.
3. This can be done in advance. At winter camp you'll be able to meet with an Engineer and get additional information.

4. This can be done in advance. At winter camp you can obtain additional information.
5. This must be done in advance.
6. This exercise will be performed in a group session at winter camp.
7. This is best done in advance.
8. This is best done in advance.
9. It is best to do some research on the web in advance about requirements of colleges/careers.

The following recommendations must be followed. Failures to prepare in advance will most likely, result in a “Partial Merit Badge”
